ABOUT DOWNTOWN BLOOMSBURG, INC

Mission Statement: Downtown Bloomsburg Inc. (DBI) will bring together diverse community interests and resources to promote the economic vitality, architectural heritage, and cultural vibrancy of the Downtown commercial district for the benefit of greater Bloomsburg.

We now need your support as we lay the foundation for tomorrow's Bloomsburg.

Our goals for the revitalization plan include:

- Promoting Downtown Bloomsburg as the regional hub of economic vitality, architectural heritage, and cultural vibrancy.
- Pursuing the development of anchor projects which will increase foot traffic in the Downtown.
- Attracting new retail business to the Downtown and creating incubator space to empower new businesses to succeed.
- Enhancing Main Street by keeping it vibrant and clean.
- Improving accessibility of the Downtown for citizens and visitors.
- Advocating on behalf of Downtown businesses.

How is the organization funded?

DBI's largest supporters are The Columbia Montour Chamber of Commerce and the Town of Bloomsburg. The organization also raises funds through community events and generous contributions.

JUST ONE EXAMPLE: UPDATES TO MILLER AVENUE

At one time Center Street was the center of Bloomsburg. (Hence the name!) With innovative planning and work, this historic center can be revitalized and made more visually appealing to add value to the community.

MILLER AVENUE, AS IT LOOKS TODAY:

MILLER AVENUE, AS IT COULD BE:

Imagine this service alley being made into a bright, pleasant, and safe walkway for pedestrians. In doing so, the alley would safely connect Main Street to such amenities at The Greenly Center, Rose Marie's, Brennan's Big Chill, Phillips Emporium, Bloomsburg Theatre Ensemble in the Alvina Krause Theatre, and easy-to-access parking. These enhancements could also elevate what is already an entertainment district to the next level. This is just one small piece of the downtown that could be utilized more effectively and made more attractive. Imagine what could be accomplished for the rest of the downtown with vision and thoughtful planning.
